MOTOR CYCLES

## More than 50 years of experience . . .

Nearly 60 years ago the Royal Enfield factory sent out its first motor cycle. Every year since has seen new and improved models produced.

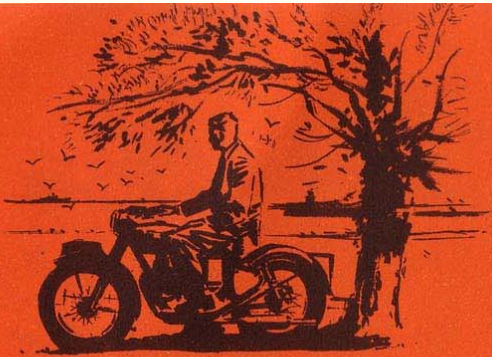

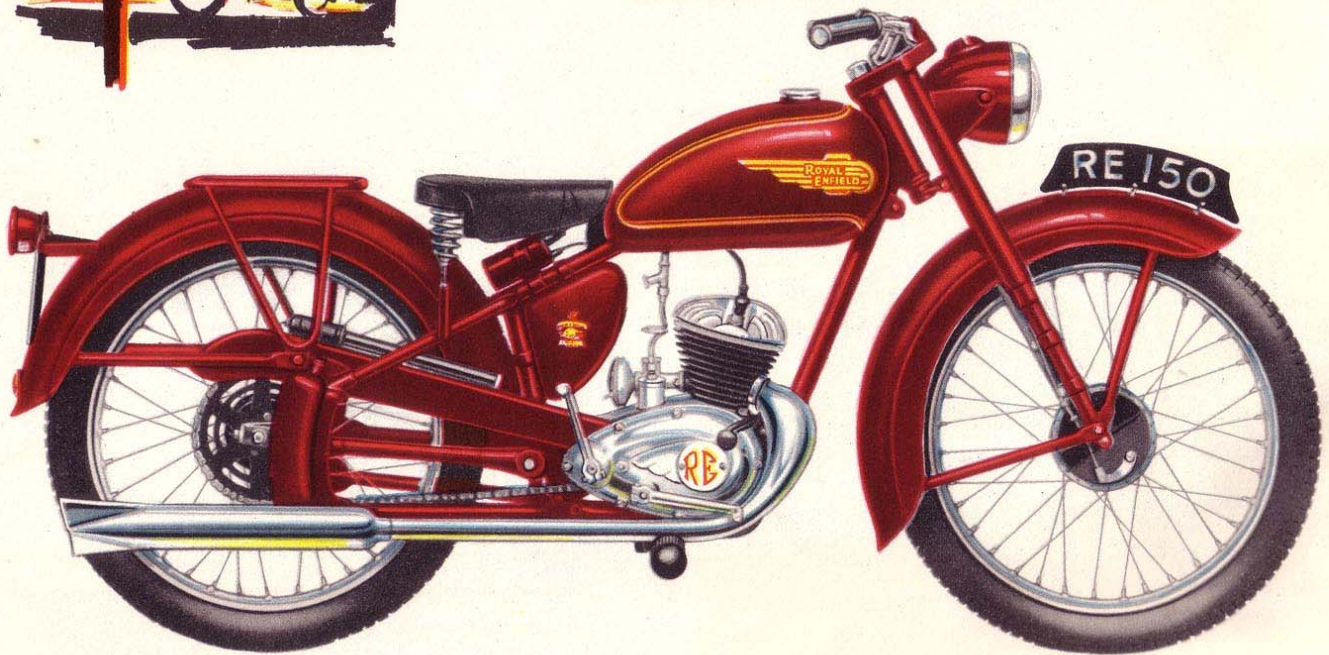

As a result of constantly progressing design and production technique, coupled with an up-to-date knowledge of the motor cyclist's requirements, the latest Royal Enfield machines will give the rider value and satisfaction which cannot be equalled.

The Royal Enfield motor cycles described in this catalogue, reflect the experience which has been gained through continuous production since the pioneer days.
